An aerial photograph of a city in winter, with snow covering the ground and rooftops. The sun is low on the horizon, creating a warm, golden glow over the city. Various buildings, including residential and institutional structures, are visible. A church spire is prominent in the distance. The sky is filled with soft, white clouds.

A photograph of two young women sitting on a black metal bench on a cobblestone path. The woman on the left has short white hair and is wearing a black jacket over a teal shirt. The woman on the right has long red hair and is wearing a grey t-shirt and purple pants with patches. A red backpack is on the ground next to the bench. In the background, there is a yellow bus on a bridge over a river, surrounded by trees and a stone wall.
